The United States of America ("the government"), through undersigned counsel, respectfully moves this Court to unseal redacted copies of (1) an application of the United States for an order authorizing travel record production and contemporaneous account access in matter No. CR-16-90391-

MISC-EDL; and (2) the Court order granting that application. The government also requests leave to file the redacted versions of those documents in the above-referenced action.

Those documents are currently under seal and no longer need to be sealed except for the redactions in the proposed versions. The redactions are necessary because they include PII, government personnel email addresses, and information about sensitive law enforcement techniques. Proposed redacted versions of the application and order will be lodged under seal with the Court as Exhibits A and B to this motion.

Respectfully submitted,
